Mt. Sierra graduates may audit courses in their field of study free of tuition on a space-available basis. Graduates who wish to take courses will be enrolled into the Lifelong Learning Program. Graduates who have an outstanding obligation to the College may take advantage of this benefit upon fulfillment of the obligation.

All courses will be included on the graduate's transcript under a non-degree enrollment. No course credit will be granted. A grade of 'V' will be issued if the course is completed, and a 'W' if withdrawn. Withdrawal requests should be emailed to the Records Department at academicsregistration@mtsierra.edu.

Graduates are responsible for the cost of books and other materials as well as any applicable lab and online support fees. All charges must be paid at the time of registration. Lab and online support fees are non-refundable.
